

TOP NEWSLETTER APRIL 01

It has been 3 months since the last newsletter but it has been so busy that writing a newsletter was the last thing on our mind. Here's a quick overview!

Chad Daniel (Youth Bytes) at the TOP

A short dynamic message to encourage youth in their Christian walk

Youth responding. Many were not believers and experienced Christ for the first time

Benny Prasad at the TOP

For those who do not know Benny, he is the most travelled musician minister in the world. He will be entering Guinness book this year for visiting the most countries in the less time span.

But Benny's message is mainly about how God can take a life that is worth nothing and change it for his glory

The message of humbleness and of yielding to God impacted all present

A team coming from Bethel school Redding California

we hosted a team of 10 young people from the school of the supernatural in Redding. Along with those a team coming from Kuwait joined us and as it is said : the more the merrier

We visited Lebanon from the north to the south, from the streets in downtown to the malls, to schools to universities, to Iraqi refugees, to Palestinian camps, to the cedars... ministering everywhere we went.

We saw many healings and many gave their life to Christ during those 10 days

We also had times of fun where we went one day skiing and another swimming. That's one of the advantages of Lebanon.

The Kingdom Fiesta

Every year we help organize the kingdom fiesta that features people from different colors, tongues and languages to praise God together.

The Tent Of Praise was very much present as we led worship, did drama, presented the event and had well known musicians like Grace Deeb and militia who participated with a very high performance level.

Mother's day outreach

we can't forget to mention the outreaches and the mercy ministries we are involved in

One of the event was in conjunction with cedars of Lebanon where for mother's day we distributed cakes to many poor mothers who never celebrated this day.

About 60 cakes were donated

No one was secluded. We made sure to leave a blessing in each home visited and a special prayer was said that left the mothers with tears in their eyes and a smile on their face.

Many of the mothers visited don't have their children with them. The kids are either in an orphanage or outside the country and the mothers are all alone

40 days Fasting

Many were involved in a 40 days fasting just before resurrection day. It was a glorious time where many breakthroughs took place . we were actively sending daily devotionals to everyone on the tent of praise mailing list and you are welcome to join the list if you're interested at www.tentofpraise.com

Street celebration

Other outreaches were also part of the TOP events. One of them involved a marching in the streets with guitars and banners to lift the name of Jesus. People were watching from the balconies, waving at us and some even came down from their homes to pray with us

To be able to continue full power, we need your financial support.
