

Tent Of Praise (T.O.P)

A dream come true

10 years ago, the Lord gave us a dream of a place where worship and praise would be the central focus and where people can come and meet Jesus glorified.

This dream however didn't come to pass at that time and we thought that it was just a wishful thinking and somehow this dream ended up in the bottom of a drawer

In 2007 however, this dream was resurrected and it came to be. Now we are pleased to let you know that this place is functional and awaits your visit

The story

The Lord prepared us during these 10 years in ways only Him can do. We experienced places like IHOP (international house of prayer) and worked with many organization all focusing on worship and prayer like the Global day of Prayer and others. We can see now that 10 years ago we were not spiritually ready for such a task and that these years when we thought this vision had died were really in God's wisdom a time of preparation.

The location

The place we chose for this first Tent Of Praise in the middle east is very central, and it is located in the Beirut suburbs in a big mall, but somehow to the side so that it keeps some privacy.

The TOP as it was before

Our emblem

The emblem of the TOP is the breastplate that high priests used to wear. Jesus is our eternal high priest and he called us also to be priests unto Him. We used this emblem in our back stage and we created gold plated and silver plated necklaces and key chains that we will be selling as souvenirs and these will be one of the means for covering the expenses of the TOP

Our vision

The TOP is a non denominational gathering place for the priests to enthrone Almighty God with the praises of His people, to lift God in our nation and intercede with God.

We have divided the TOP in several sections where the main one is a hall for the worship gatherings, but there is also a special room for prayer (healing room, intercession room...) and a corner for kids

Our next goals

- We are putting now together a website for the TOP where you will find the latest news, upcoming events and updated pictures
- We are also praying that we could start streaming our meetings through the net and thus open for you the opportunity to join us.
- We have registered the TOP officially and we will open a bank account for the ministry very soon.
- We will be also opening a forum and we will invite you to join us .

You can be a partner

We are seeking partners in this ministry unto the Lord for as the lights were never to be put out in the temple , we long to have praises that will be lifted 24/7 unto Him never to cease

Your partnership with us is very important and we want to give you the opportunity to sow into this new thing that the Lord has birthed in Lebanon

You can partner by

- Organizing prayer or worship groups to come and minister at the TOP
- Buying breastplate necklaces or key chains
- Give financially into it
- Finally and mainly you can intercede that the TOP will be a place where the Lord's presence will be manifested and that from it the glory of the Lord would go to the nations
